

WIRRAL JUNIOR TOURNAMENT

The annual Wirral Badminton League Junior Tournament was again held at the West Kirby Concourse and although the entry was disappointing the standard of play was excellent throughout. Although several players dominated the prize list, with all the singles winners also featuring in the doubles winning partnerships, the games were competitive and in most cases fairly close.

Toby Allport (U14 Boys) and Kathryn Keighley (U16 Girls) caught the eye with comprehensive wins in their events, whilst Ewan Cook (U12 Boys) had similar double successes but had to battle well to take both his events from the persistent Adam Bridson, who ran him very close.
